**DEFENDANT'S RESPONSE TO  
PLAINTIFFS' MOTION TO COMPEL (ECF 109)**

COMES NOW, Eliazar Cisneros one of the Defendant in the above numbered and styled cause and files this his response to Plaintiffs' Motion to Compel production of document.

This Defendant states to the Court that, though he has agreed to fully cooperate and to provide the mobile phone to the Plaintiffs and has previously provided copies of the cell phone's contents, he has encountered complications in producing the physical cell phone and delivering it to the Plaintiffs' according to their requests to the production of the cell phone.

Attached hereto is the affidavit of the Defendant stating the reasons why he cannot at this time produce the Cell Phone.

Defendant further states that his inability to produce this item is not to frustrate the Plaintiffs or this Court but because of reasons beyond his control.

When the Defendant finds the Cell phone in question, he will promptly advise the Plaintiffs and make it available forthwith to them.

For these reasons Defendant Eliazar Cisneros requests that the court deny the Plaintiff's motion for an order to compel him to produce his mobile phone.

Respectfully submitted,
